

Our Goal

Classic UNO gets a twist - Recreate the fast-paced, strategic excitement of UNO Flip in a digital format that's intuitive, challenging, and true to the original game.

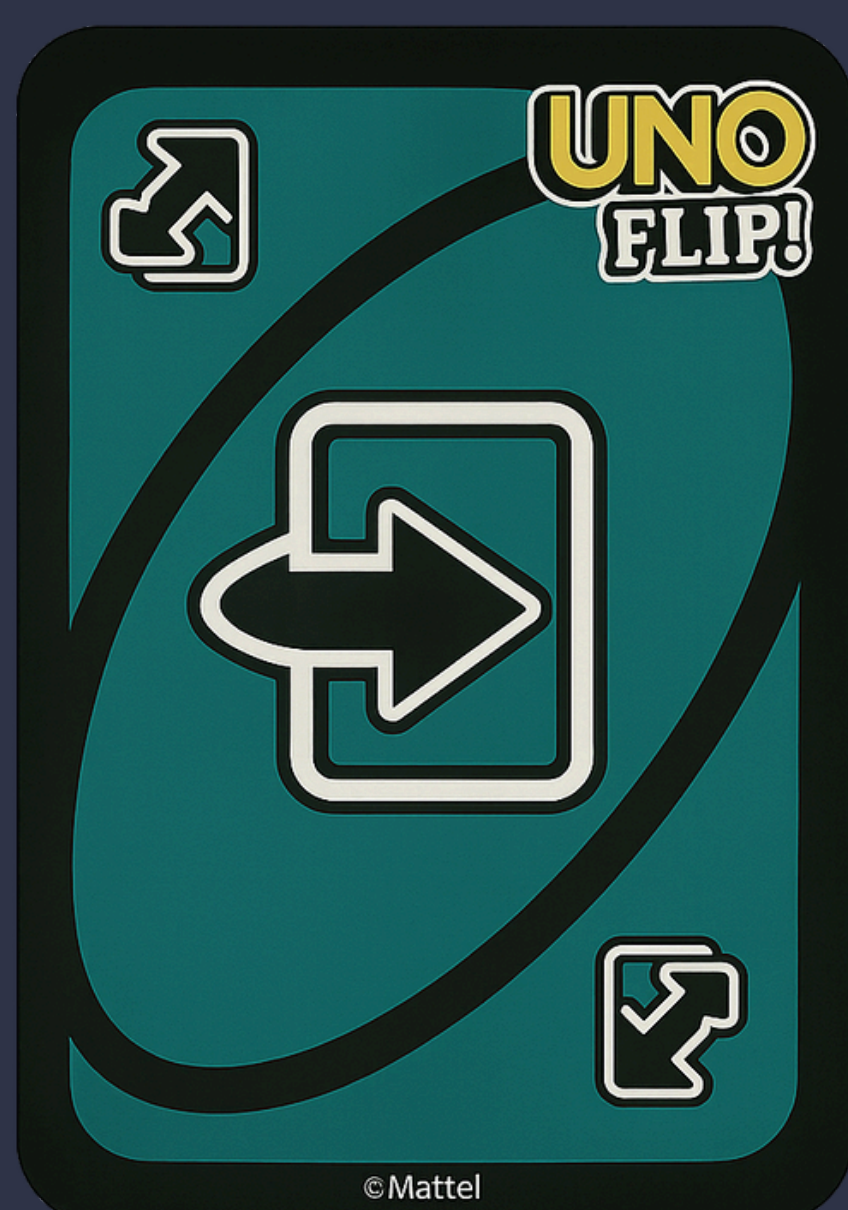

Our Motivation

As per usability testing, the current UNO Flip game has a confusing interface and buggy gameplay. Whether you're a casual or a competitive player, get ready to **Play. Flip. Dominate.**

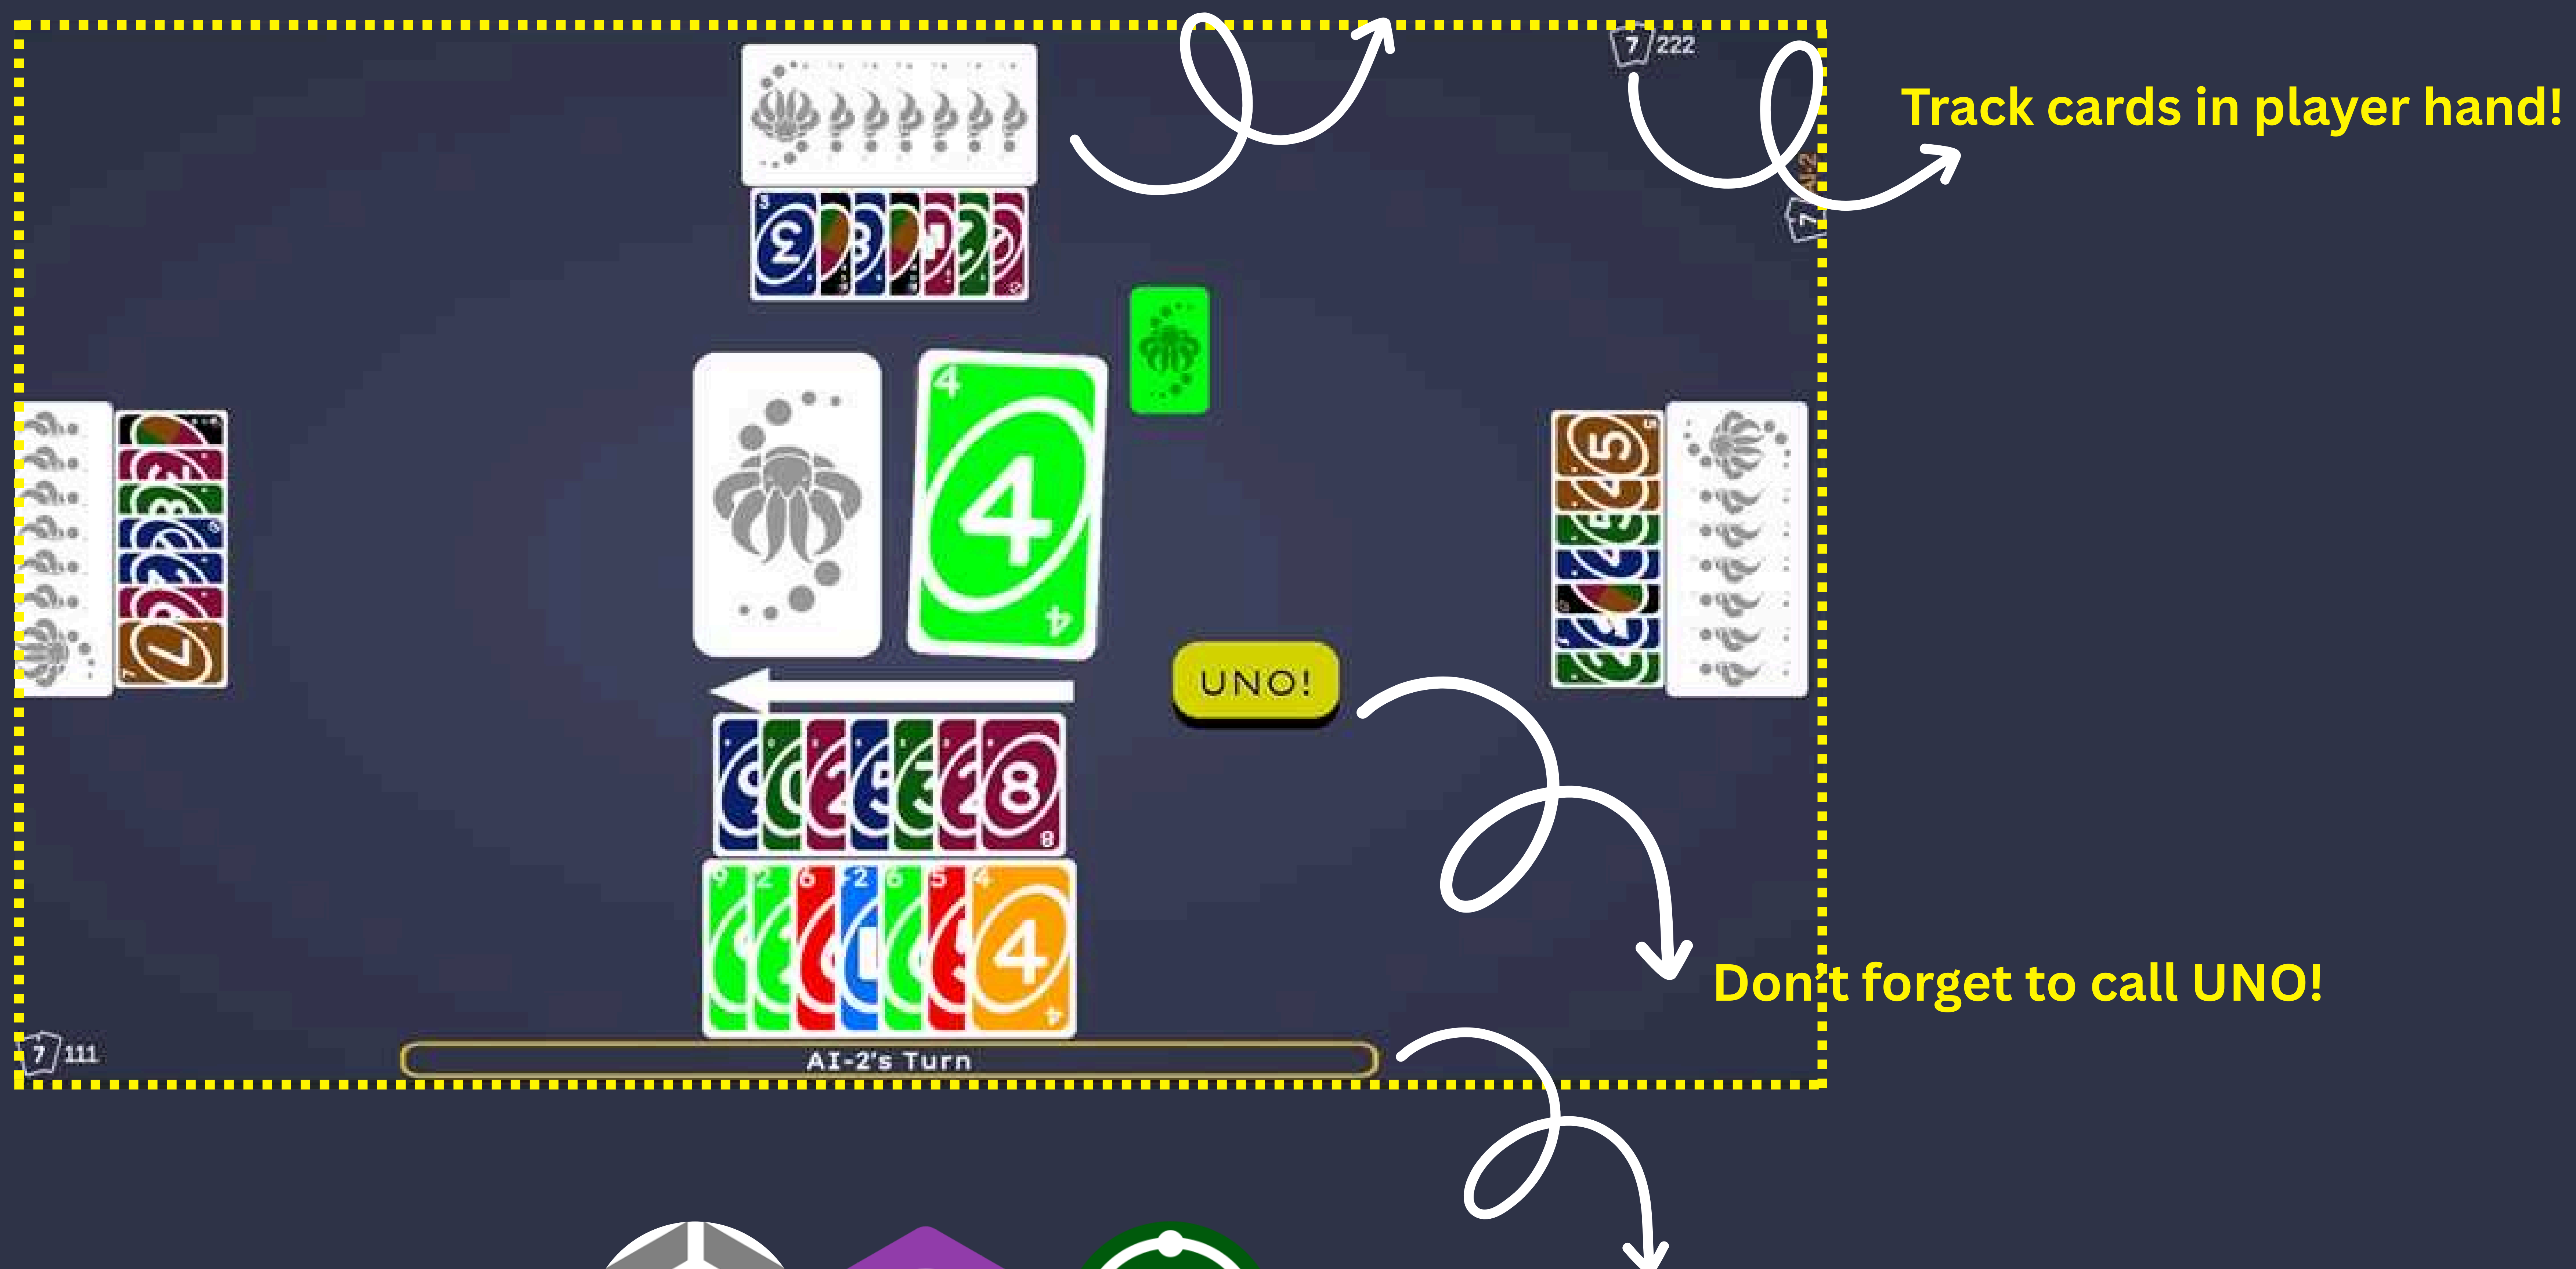

Light and Dark Side

Your Worst Enemy

Smart AI Opponent

Acknowledgement

We would like to thank **Dr. Rapoport** for his guidance and support throughout this project.
